Notice to Audit Students:

The term Audit Student is for those individuals attending strictly for their spiritual growth and enjoyment. They are not required to do any course work. Auditing is for the individual's own personal work and they will not receive any grade or credit.

Audit student attendance will not count toward the completion of degree credits and the audit student may not participate in the graduation exercise. Audit students are required to comply with all school policies. Students desiring to change from an Audit Student to "degree credit" status must complete a new application within three weeks of the start of their initial 36 credit hour program.

The Audit fee is \$95.00 per course. This fee, which is paid at the start of the course, covers class attendance and syllabus. Commentaries are at an additional nominal fee.
